## Discipline Policy

Carter's Webb has developed the following procedures regarding discipline. Please know that the majority of our children behave wonderfully and discipline rarely becomes an issue. A certain testing of limits is expected and our teachers are adept in correcting minor behavioral problems. The goal of Carter's Webb is to help a child to grow and learn appropriate social behavior. Therefore, our desire is to work with the children, parents, and staff to find the best solution concerning any behavioral problems.

Should it become necessary to move into formalized steps you will be advised what behavior is prompting this decision. For those children that exhibit unusually aggressive, dangerous or persistent misbehavior that is not corrected, the following steps will be implemented.

**STEP ONE:** For the first occurrence the teacher will discuss with the child the inappropriate behavior and the consequences should the behavior continue (steps 2, 3, and 4).

**STEP TWO:** Continued inappropriate behavior will require a conference between the child, the teacher and the Director.

**STEP THREE:** The parent will be contacted. A conference will be required for the parent, child, teacher and Director to discuss the situation. Step Four will be explained to the parent and child.

**STEP FOUR:** The parent will be notified and the child will be picked up immediately. This practice will continue until behavior is corrected.

**FIGHTING:** If a physical altercation takes place, the children involved will be given a one day suspension. If a child has four (4) fights in one year (September to August) s/he will be removed from the Center.

I acknowledge receipt of a copy of the Carter's Webb Discipline Policy and agree to abide by its terms.
